

Call for Sponsorship!

Dear Sponsors,

Habitat for Humanity Peninsula and Greater Williamsburg, the City of Hampton, the Hampton Redevelopment and Housing Authority, and hundreds of community volunteers are ready to help homeowners in the Dunbar Gardens Neighborhood make repairs to the exterior of their homes. On May 2, 2015, we will be assisting homeowners with:

- Outdoor painting (siding, windows, shutters)
- Power washing and debris removal
- Outside repairs (steps, gutters, fence)

This is our sixth Blitz in the last two years and we know it will have a positive impact by helping seniors, veterans, and disabled homeowners to bring new life to their homes and neighborhoods. **Over the last two years, we have enlisted the help of over 1000 volunteers to improve 100 homes in just 5 days!**

How can you help?

We again want to assist at least 18 homeowners with improvements and enlist the help of 250 volunteers, but we need your help to sponsor the event! Your sponsorship will provide materials and refreshments for the May 2nd event.

- **SILVER SPONSOR**, \$250.00 in donated materials and/or cash
- **GOLD SPONSOR**, \$500.00 in donated materials and /or cash
- **PLATINUM SPONSOR**, \$1000.00 in donated materials and /or cash

On behalf of our organizations and volunteers, we thank you for your commitment to our Hampton residents and neighborhoods. Partnering to help homeowners make Hampton's neighborhoods "places they proudly call home" is truly an effort which we all can be proud of.

Sincerely,
LaToya Tyler,
Habitat For Humanity
